## ADHER BONDS - IPC

### Impregnation Prime Coat

A Unique formulation ADHERE BONDS - IPC is a single component primer coat, acts as a primer as well as binder over the plastered surfaces. Seals all pores thus, reducing the porosity of the surface.

#### ADVANTAGES:

- Easy to apply by brush or spray or roller.
- Excellent base coat for plastered surfaces.
- Increases the coverage by 20% to 30%.
- Does not crack, spall, peel or disintegrate; excellent flexibility.
- Resistant to wide range of temperature.
- Can be used on wet surface.
- Coating will allow the surface to breathe.
- Excellent water repellency
- Excellent resistant to UV radiation.
- Resistant to moss and fungus.
- Tough and scratch proof.
- Prevent leakage or seepage completely.
- Enhances life of structure by virtue of excellent water repellent properties of polymer coating.

USAGE:

ADHERE BONDS - IPC can be applied before all types of Waterproof coating and Water base Interior/Exterior Protective / Decorative coatings.

#### HOW IT WORKS:

During application, polymer solution travels into the surface, occupies all the cavities, hairline cracks and on solidification forms polymer crystals. These crystals seal every path of water and make the entire surface waterproof. It is important to note that the system does not forms any film or layer over the surface but gets absorbed and become an integral part of the surface with ni peel-off tendency.

#### APPLICATIONAREAS:

Parapets, chajjas, external wall of buildings etc. and as primer coat for cement based paints, distempers etc.

#### Waterproofing Normal Concrete:

Clean the surface to remove all loose particle and any deleterious matter. Repairs all cracks, honeycombs and blemishes from the concrete surface. Brush-apply ADHERE BONDS - IPC on the entire surface liberally.

#### Note:

Stir the material well in the container before use.

#### SHELF LIFE:

12 months from the date of manufacturing when stored in ideal storage conditions.

#### PACKING:

1, 5, 20, kgs.

#### Note:

Whilst any information and / or specification contained herein is to the best of our knowledge true and accurate, no warranty is given or implied in connection with any recommendation or suggestions made by us, our representatives, agents or distributors as the conditions of use of any labour involved are beyond our control.
